

Friday  
October 12th

# 2007 WORCESTER LEAD POISONING PREVENTION COMMUNITY SUMMIT

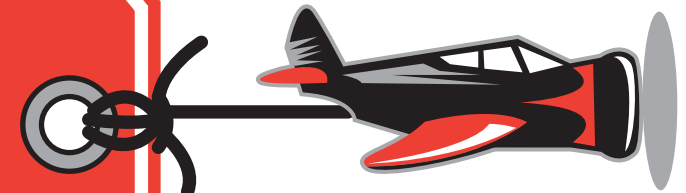

Working Together for Safe Homes and Healthy Children

This event will offer 3 program tracks:

- ✓ Policy and Best Practices
- ✓ Advocacy and Education
- ✓ Technical Aspects of Deleading

## Professional Development Day

9am-3:30pm ~ Clark University, Higgins University Center, 950 Main St, Worcester, MA

Registration is \$20 and includes lunch and a continental breakfast. Register early! Scholarships available.

Pending approval from NASW, Continuing Education Units (CEUs) will be available.

A day for professionals from health, social service and government agencies and nonprofit organizations, as well as educators, researchers, contractors and property owners.

Learn about and discuss applying national best practices to local challenges with experts in the field.

Featured speakers include:

- Ruth Ann Norton, Executive Director of the Coalition to End Childhood Lead Poisoning, a national advocacy organization
  - Darshak Sanghavi, M.D. frequent contributor to NPR's *All Things Considered* and *The Boston Globe*, and author of the widely acclaimed best-seller, *A Map of the Child: A Pediatrician's Tour of the Body*
- And many more!

**REGISTER TODAY!** Online: [www.SafeHomesSafeKids.net](http://www.SafeHomesSafeKids.net)

By phone: (800) 445-1255 x1176
